U.S. Probation Officer Action:

While the probation office is discouraged by Sanders' irresponsible actions, we are requesting an opportunity to address his noncompliance internally. We plan to provide him with a life skills home study workbook designed to teach cognitive skills to remain a law-abiding driver. We will work with Sanders to ensure he completes the assignments in the workbook. We also plan to enroll him in Moral Recognition Therapy (a behavioral enrichment program). If Your Honor agrees with our plan, the probation office will also present a copy of this order to the offender as a formal written reprimand. We will advise the Court of any additional noncompliance.

Respectfully submitted,

Jamel Rucks-Dorsey
